By Her Majesty's command,

FRED. STANLEY.

## Cl. 100.—Establishments of the Militia and Yeomanry Cavalry for 1879-80.

Details of the establishments for the disembodied Militia of the United Kingdom and for the Yeomanry Cavalry, which have been approved by Her Majesty to take effect from the 1st April, 1879, are issued herewith.

## MILITIA.

## Cl. 101.—Transfer of Regimental Financial Duties.

(Issued as a Special Army Circular, on the 2nd April, 1879.)

1. From the 1st April, 1879, the financial duty connected with the Militia regiments shown in the annexed statement, will be transferred to the paymasters of the sub-districts to which they belong, and in the case of the Artillery Militia to the paymasters of the Royal Artillery at the stations specified.

## ARMY CIRCULARS—continued.

2. The account duties will, from that date, be conducted in accordance with the subjoined instructions.

3. The adjutants of those Militia regiments included in the annexed list (see Appendix [not printed in Army List]), of which the preliminary drill has already commenced, will render to the War Office Pay Lists to the 31st March, on the usual W. O. Form 427, after which date they will be relieved of financial duty agreeably with these instructions.

4. The following are the instructions mentioned in paragraph 2, and they are reprinted here from the "Financial Instructions of 1st April, 1879," for the information and guidance of the officers whom they concern:—

166. Quartermasters of Militia regiments will receive monthly from the sub-district paymaster advances of cash for non-training services, including the pay and allowances of the permanent staff serving with the Militia regiment. The pay of those members of the permanent staff who may be performing general duty at the head-quarters of the brigade dépôt will be paid through the captains of the brigade dépôt.

167. The present form of Militia Estimate may be used by the quartermaster for demanding the necessary advances from the paymaster.

168. All non-training payments will be accounted for to the sub-district paymaster monthly. The pay of the permanent staff will be included in the Pay List of the brigade dépôt, like that of the other staff, and the enrolment expenses will be carried in gross into the general state of the Brigade Depot Pay List, vouched by the monthly sub-accounts rendered by the quartermaster.

169. During the preliminary drill and training period, advances for training services will be made weekly to the quartermaster, and accounted for at the termination of the training period.

170. The sums required by the captains of companies during training will be distributed by the quartermaster out of these advances, and that officer will, with the assistance of the paymaster serjeant, complete the Company Pay Lists, and after obtaining the signature of the captains thereto in acknowledgment of final settlement, will transmit them, together with the Preliminary Drill Pay List, in support of his disbursements, to the sub-district paymaster.

171. The sub-district paymaster will abstract, on W. O. Form 427A, from the Preliminary Drill and Company Training Pay Lists, the charges and credits to be carried in gross into the general state of his Brigade Depot Pay List; and as vouchers in support thereof the Preliminary Drill and the Company Training Pay Lists, together with W. O. Form 427A, will be transmitted to the War Office.

172. The amounts received on imprest by the quartermaster from the paymaster, will not be shown in the Pay Lists transmitted by the latter as vouchers in support of the charges and credits included by him in the general state of his Sub-District Pay List for each Militia regiment.

173. The advances of cash made to the quartermaster of each Militia regiment will be carefully watched by the paymaster, so that the balances outstanding may at all times be of the smallest possible amount consistent with the requirements of the service.

174. In regiments of Militia to which no quartermaster is attached, and of which the payment has been transferred to a sub-district paymaster, the duties referred to in the preceding paragraphs will be performed as heretofore by the adjutant, but in accordance with these instructions.

175. When regiments are called out for preliminary drill or training before the 1st of April in any year, the expenditure for such services up to the 31st of March will be included in the Pay List of the brigade dépôt for the half-year ending on that date, supported by a separate voucher Pay List as prescribed by paragraph 171 of these instructions.

The instructions contained in paragraphs 166 to 175 will apply to regiments of Infantry as well as of Artillery Militia, except that the latter will be paid by the paymasters of Royal Artillery, and the non-training accounts of each regiment will be rendered to the War Office quarterly, on the present form.

### Cl. 102.—Pay of Men in Cells.

1. Pay will in future be charged for Militiamen assembled for preliminary drill or training for the periods during which they may be in cells and, consequently, not in receipt of pay.

2. The number of days for which the pay is not issued will be shown against the

**ARMY CIRCULARS—continued.**

name of each man, and the total of the pay thus charged, but unissued, will be credited to the public in the Pay List in which the charge occurs.

3. Paymasters and others concerned will be careful to make such additions to the regimental and company Pay Lists as may be requisite for the observance of these instructions.

**YEOMANRY CAVALRY.****Cl. 103.—Permanent Duty, 1879-80—Pay and Clothing and Contingent Allowance.**

(Issued as paragraphs 5 to 9 of the Special Army Circular of the 4th April, 1879.)

1.\* In accordance with Clause 113, Army Circulars, 1879, regiments of Yeomanry Cavalry will, for the financial year 1879-80, be allowed pay for two days' permanent duty, or in lieu, for four days' mounted troop drills.

2. Regiments which may assemble for permanent duty will be granted the usual rates of pay; but will not be allowed pay for the days of marching in or marching out.

3. Pay will be allowed for the four troop drills at the rate of 3s. 6d. a day for each non-commissioned officer and yeoman present at such drills, and officers will receive for each of these drills at which they may attend, one-half the daily rate of pay admissible for them when attending permanent duty.

4. The usual preliminary mounted drills will not be required to entitle a yeoman to permanent duty pay, and each one of those already performed may be reckoned as one of the troop drills, for which pay may be drawn under paragraph 3.

5. In order, however, to render a yeoman efficient for the purpose of making him eligible for the grant of the clothing and contingent allowance of 2l. for each man annually, six drills must be performed within the year, in accordance with the requirements of the statute 56 Geo. 3, c. 39.

**Cl. 104.—Permanent Duty, 1879-80—Estimates and Accounts.**

1. The sums required for the payment of the two days' permanent duty, or the four troop drills, prescribed by Clause 113, Army Circulars, 1879, will be estimated for by officers commanding Yeomanry Cavalry regiments in the same manner as for money required for the purposes of ordinary permanent duty.

2. When the permanent duty, or troop drills, have been performed, the necessary accounts will be rendered on W. O. Forms 685 and 690, which will be adapted to meet the circumstances of the present year as regards the troop drills.

**ORDNANCE STORE REGULATIONS.****Cl. 105.—Protection of brittle Stores shipped unpacked.**

The following paragraph will be added to the Ordnance Store Regulations, 1879 (Revised Army Regulations, Vol. IV. Part II.), after paragraph 791:—

791a. In order to lessen the risk of damage in the conveyance by sea transport of stores of a brittle nature which are shipped loose or unpacked, Ordnance Store officers will cause such stores to be protected as much as possible before shipment by means of hay or straw bands, matting wrappers, or any other simple and inexpensive method which may be available.

**Cl. 106.—Return of Guncotton in Store.**

The following will be added to the Ordnance Store Regulations, 1879 (Revised Army Regulations, Vol. IV. Part II.), after paragraph 727:—

727a. A half-yearly return of guncotton in store will be rendered by Ordnance Store officers to the Commissary General, Royal Arsenal, Woolwich.

727b. The return, which will be made out on a new form—W. O. Form 330—which has been prepared for the purpose, will be sent in on the 31st March and 30th September in each year.

\* Paragraph 1, Clause 103, Army Circulars, 1879, has been altered since it was issued, as paragraph 5 of the Special Army Circular, dated 4th April, 1879.

## ARMY CIRCULARS—continued.

**CL. 107.—Packing and Inspection of Damp Guncotton.**

1. Revised instructions for packing, storing, and the periodical inspection of damp guncotton have been approved, and will be issued to officers and others concerned.
2. Clause 153, Army Circulars, 1876, and the instructions issued therewith, are hereby cancelled.

**EQUIPMENT REGULATIONS.****MILITIA.****CL. 108.—Thongs for fastening Rifle Slings.**

1. Thongs of white horse hide will in future be employed for fastening rifle slings, instead of the brass buckles with which the slings at present in the possession of Militia regiments are generally fitted.
2. Commanding officers of Militia regiments will put forward demands for the number of thongs required for the purpose of altering the slings in their charge, and will cause the alteration to be carried out in their respective regiments without charge to the public.
3. The buckles removed from the slings will be returned into store at the nearest Ordnance Store station.

**REGULATIONS FOR THE VETERINARY DEPARTMENT.****CL. 109.—Private Practitioner's Bills.**

1. When the bill of a private veterinary practitioner has been approved of by the principal veterinary surgeon, the amount will be charged in the district paymaster's account, if supported by proof of payment, instead of in the Regimental Pay List as heretofore.
2. The last sentence of paragraph 36 of the Veterinary Regulations, 1872 (issued with Clause 67, Army Circulars, 1872); will be amended accordingly.

**REGULATIONS FOR ARMY SCHOOLS.****CL. 110.—Inspection of Army Schools.**

The following additions will be made to Part II. of the Regulations for Army Schools issued with Clause 187, Army Circulars, 1871:—

1. The sub-inspectors of Army schools will occasionally, and at uncertain intervals, visit the schools at the head-quarters at which they are stationed, in addition to the periodical inspections now made by those officers.
2. The sub-inspectors will invariably report, immediately after each visit, to officers commanding regiments or corps where schools have been so visited, and will notify the same at the district staff office in such manner as general officers commanding may direct.

**GENERAL REGULATIONS.****I.—REGULAR FORCES.****CL. 111.—Military Books and Maps.**

With reference to Clause 139, Army Circulars, 1878, it is notified that the under-mentioned books and maps have recently been published, and the appendix to that clause will be amended accordingly.

(Issued as Paragraphs 1 to 4 of the Special Army Circular of the 4th April, 1879.)

1. The several regiments of Yeomanry Cavalry will not be assembled for the usual period of permanent duty and exercise during the financial year 1879-80, but will be permitted to assemble for two days' permanent duty, or in lieu, for four days' mounted troop drills, which will be paid for in accordance with the provisions contained in Clause 103, Army Circulars, 1879.
2. Regiments which may wish to assemble for permanent duty will submit their arrangements through the inspectors of Auxiliary Cavalry.

## CL. 114.

1. The following War Office Forms have been cancelled:—

2. The following new War Office Forms and Books have been approved:—

W. O. Form 477, "Return of Non-commissioned Officers and Men desirous of being transferred to the Commissariat and Transport Branch of the Army Service Corps."  
W. O. Book 13, "Register of Certificates of Education."
3. W. O. Form 949, "Voucher for making-up clothing, all Services except Royal Artillery, Royal Engineers and Army Service Corps," has been revised, and will in future be also used by the Militia for charges for making-up and altering the clothing of the Permanent Staff.

## ERRATA.

Clause 110, Army Circulars, 1868, which specifies the course to be pursued in cases of small-pox or scarlet fever among persons employed in the manufacturing departments, was erroneously cancelled by Clause 192, Army Circulars, 1878, and still remains in force.

In line 5, paragraph 5, Clause 5, Army Circulars, 1879, for the words "of those qualified," read "if qualified."

In Clause 59, Army Circulars, 1879, paragraph 211, line 15, for "17, Army Circulars 1873," read "117, Army Circulars, 1873."

In Clause 60, Army Circulars, 1879, paragraph 8, line 8, for "161a, 161b or 161c of the Royal Warrant of the 1st May, 1878," read "1161a, 1161b or 1161c of the Royal Warrant of the 1st May, 1878."

On p. 927 in April "Army List," Army Circulars, Clause 89, the paragraph "W. O. Book 227, 'Paymaster's General Cash Book,' &c., should come in under paragraph 1, under the head of Forms cancelled, not approved.

### G.O. 58.—Recruiting.

(Specially issued, 14th April, 1879.)

I. Until further orders the minimum height of recruits for Infantry of the Line is reduced from 5 ft. 6 in. to 5 ft. 5 in.

II. G.O. 110 of 1878, so far as it relates to Infantry of the Line, is hereby cancelled.

### G.O. 59.—Armourer Sergeants.

The names of candidates for the corps of armourers, as also applications for armourer sergeants of the corps, to be posted to regiments, will be forwarded, through general officers commanding districts, to the assistant superintendent of the Royal Small Arms Factory at Birmingham. General officers commanding will issue routes for the movement of candidates, on receiving a notification from the assistant superintendent as to the dates upon which they can be received at the factory.

### G.O. 60.—Armourer Sergeants.

With reference to G.O. 31 of 1878, armourer sergeants are to be required, as part of their duty, to fit the plates supplied with cork helmets.

### G.O. 61.—Army Signalling.

I. Every message will be accompanied by a signal showing the number of words contained in the message.

II. This signal will be the index letter or letters, given in the Message Book, of the last word of the message, and will be made immediately before the signal for "end of message."

## GEN. ORDERS—continued.

**G.O. 62.—Books.**

I. A revised edition of the "Trumpet and Bugle Sounds for Mounted Services and Garrison Artillery; with Instructions for the Training of Trumpeters," has been published, and will be issued to all concerned.

II. G.O. 1 of 1870, and the trumpet and bugle sounds issued therewith, are hereby cancelled.

**G.O. 63.—Brigade Depots.**

Officers commanding brigade depôts are informed that the services of the officers of both the Infantry battalions of the Line are available for the duties of the brigade when necessary, without reference to the particular regiment to which they belong.

**G.O. 64.—Cavalry Equipment.**

I. In the embarkation of horses, neither saddles, bit bridles, nor other horse appointments, nor the valise, will in future be packed in the corn sacks; that part, therefore, of paragraph 5, section 9, Part IV., of the "Regulations for the Instruction and Movements of Cavalry," promulgated by G.O. 50 of 1876, and the foot note which relates to the subject, will be corrected accordingly.

II. For para. 12, section 13, Part IV., of the same Regulations, substitute—

"The sword belt is to be worn on all occasions when the tunic is worn by all branches of the Cavalry service which wear the belt outside the tunic."

**G.O. 65.—Certificates of Education.**

I. A "Register of Certificates of Education," W. O. Book 13, having been approved, will at once be taken into use by all regiments and corps, requisition for it being made in the usual manner.

II. This register will be added to the list of regimental books enumerated in section 23, paragraph 1, "Queen's Regulations and Orders for the Army, 1873."

III. It will be kept in the orderly room; but wherever an Army school exists, the necessary entries should be made by the regimental schoolmaster after each award of certificates, and it will be produced in the schoolroom at all school inspections.

IV. The column of "Remarks" is intended to show the cause of each man becoming non-effective. The initial letter only of each rank need be used in the column headed "Present rank."

V. On the transfer of a soldier from one corps to another, an extract from the Register of Certificates of Education will accompany the other transfer documents enumerated in section 7, paragraph 151, "Queen's Regulations and Orders for the Army, 1873," which should be corrected accordingly.

**G.O. 66.—Clergy.**

I. The subordination of a junior chaplain to the senior at the same station (when both are of the same denomination) is not precisely that of a junior officer to his senior.

II. The senior chaplain is bound to arrange the work of the chaplains at his station; and though, once arranged, he should not interfere in detail with the work of the other chaplains, yet he is bound to obtain such knowledge as shall enable him to report any neglect or objectionable proceedings to the chaplain general, through the general officer commanding.

III. The junior chaplain is to communicate with the senior in case of any difficulty.

IV. Every chaplain has the right of direct communication with the chaplain general on any purely ecclesiastical matter which may require his opinion or advice.

**G.O. 67.—Discharges.**

The following instructions are issued for the guidance of general officers commanding districts at home in confirming the discharge documents of soldiers under G.O. 111 of 1878, viz.:—

1. It is absolutely necessary that the discharge board should in every case consist of three officers, and be constituted in accordance with the 166th Article of War.

2. The date of confirmation being the actual day of discharge, the record of service on the proceedings of the board and on the 3rd page of attestation must invariably be closed up to that exact date inclusive.

3. It is undesirable that any soldier should be discharged on Sunday, Good

## GEN. ORDERS—continued.

Friday, or Christmas Day, therefore, if a man's service expires on any of these days, his records should be completed up to the date of expiration, but he may be permitted to leave on the preceding day.

4. The terms on which a soldier may be permitted to purchase his discharge, or to obtain a free discharge by indulgence, are laid down in the Royal Warrant of 1st May, 1878 (Arts. 704—720), and general officers commanding, who are empowered to confirm such discharges, should satisfy themselves that the sums charged are strictly in accordance with the scales therein prescribed before confirming the discharge.

5. After the discharges have been carried out, the proceedings of the several boards are to be kept in the district office until the end of the week, and on the following Monday the whole of the documents connected with the discharges, which have been carried out during the preceding week, are to be transmitted to the Adjutant General of the Forces (or to the Deputy Adjutant General in Dublin) for record, together with a nominal list of the men, according to the annexed Form (*see Appendix, pp. 71-72 [not printed in Army List]*), arranged in classes as detailed in para. 20, section 20, of the "Queen's Regulations and Orders for the Army, 1873," amended by G.O. 111 of 1878.

A supply of these Forms may be obtained on requisition.

**G.O. 68.—Discharges, Army Reserve.**

I. With reference to G.O. 17 of 1878, and to Clause 48, Auxiliary and Reserve Forces Circulars, 1874, staff officers of pensioners and others authorized to complete the discharge documents of men of sections B and C, 1st Class Army Reserve, on final discharge will, in every case, add to the character of the man, as given by the discharge board, a certificate as to his character and conduct while in the Reserve, and will also cause the lower part of the parchment certificate to be cut off when the man is discharged for the causes specified in para. 17, section 20, of the "Queen's Regulations and Orders for the Army, 1873."

II. General officers commanding districts will ascertain that the foregoing instructions are complied with before confirming the discharge documents.

**G.O. 69.—Dress and Equipment.**

The following is to be added to para. 2 of G.O. 38 of 1878:—

- When the helmet is not worn on duty or parade, the chin strap may be fastened to the hook near the top of the helmet.

**G.O. 70.—Examinations for Promotion.**

I. Referring to G.O. 56 of 1878, general officers commanding will be pleased to forward to the Director General of Military Education, not later than the 20th May, the names of any eligible captains who are desirous of being examined as to their qualifications for the rank of major.

II. The boards will be composed as directed in sect. 4, para. 62, of the "Queen's Regulations and Orders for the Army, 1873." The president will be selected by general officers, and the garrison instructor, where one is available, will form an additional member of the board.

III. General officers will satisfy themselves that, previous to the assembly of the board, all candidates are in possession of the certificate referred to in para. II. of G.O. 56 of 1878, and of a certificate of qualification in riding. The latter may, in the case of officers not belonging to mounted corps, be either that referred to in para. 41c of the above section, or may be granted by the general officer commanding, after personal examination by himself or by a field officer specially deputed by him.

IV. The examination will be held on the 11th June, 1879, under printed instructions, which will be furnished by the Director General of Military Education.

**G.O. 71.—Master Tailors.**

Section 7 of the "Queen's Regulations and Orders for the Army, 1873," will be amended as follows:—

Para. 80 will be omitted, and for para. 81 read—"Civilians are no longer enlisted specially as serjeant master tailors; but any that have already been enlisted as such will, upon a regiment proceeding abroad, be exchanged for a soldier who has been

**GEN. ORDERS—continued.**

instructed at the Army Clothing Depot. If there is a vacancy in any other corps at home, the serjeant master tailor so exchanged will be transferred to that corps. Application on the subject is to be made to the adjutant general."

**G.O. 72.—Medals.**

The non-commissioned officers and men named in the accompanying List (see Appendix, pp. 73-87 [*not printed in Army List*]), have been awarded silver medals for "Long Service and Good Conduct," under the provisions of Articles 1074 to 1085 of the Royal Warrant of the 1st May, 1878 (Revised Army Regulations, Vol. I.). The medals will be prepared and issued as soon as possible, and instructions regarding the issue of gratuities to the recipients of the decoration are published in Clause 54, Army Circulars, 1879.

**G.O. 73.—Musketry.**

I. The annexed Return (see Appendix, pp. 88-96 [*not printed in Army List*]), showing the regiments of Cavalry and Infantry, depôts and brigade depôts, and companies of Royal Engineers, serving in the United Kingdom and Channel Islands, that have concluded their musketry training for 1878-9, with the figure of merit, the results of the volley, independent, and skirmishing practices, and of dismounted practice with horses in the Cavalry, the percentage of non-exercised men, and the best shooting troops and companies, with their figure of merit, is published for general information.

II. The results of the practice are satisfactory.

III. The percentage of non-exercised men in the Cavalry is excessive, and the Field Marshal Commanding in Chief will expect, at the termination of the next annual course, to find the number of untrained men reduced to a minimum.

**G.O. 74.—Officers' Dress.**

A pattern of haversack for officers has been approved, and deposited in the Pattern Room at the Horse Guards, War Office, for inspection. The buttons to be of regimental pattern.

**G.O. 75.—Permanent Staff of Yeomanry Cavalry.**

With reference to para. II., G.O. 76 of 1877, officers commanding Cavalry regiments in Ireland will, in future, transmit to the Inspecting Officer of Auxiliary Cavalry at Aldershot monthly lists of non-commissioned officers of the regiments under their command who may be desirous of being transferred to the permanent staff of the Yeomanry Cavalry.

**G.O. 76.—Recruiting.**

The Monthly Nominal Return of Recruits (W. O. Form 847) is no longer required to be forwarded to head-quarters, as the periodical inspection of general officers should be a sufficient check over irregular enlistments.

**G.O. 77.—Soldiers' Passes.**

I. With reference to G.O. 32 of 1879, a form of pass is printed in Appendix (see p. 97) [*not printed in Army List*], which will be adopted throughout the Service.

II. These passes will not be issued as a W. O. Form.

By command,

C. H. ELLICE, Adj. Gen.

## REGULATIONS RESPECTING MEDALS

GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.

400/69

17

THE FIELD MARSHAL COMMANDING IN CHIEF having sanctioned Medals granted for acts of bravery in saving life being worn in Uniform, whenever a Society may consider any officer, non-commissioned officer or soldier entitled to receive a Medal, the decoration, together with a statement of the act of bravery performed, should be sent to the Adjutant General to the Forces, in order that the recipient's name may be registered, and the necessary authority issued for the distinction to be worn.

These Medals will be worn on the *Right Breast*.

## REGULATIONS RESPECTING FOREIGN MEDALS.

148

533 & 610

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An officer, soldier, marine or sailor must, however, first obtain permission from the Commander in Chief or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Published by authority of the Lords Commissioners of the Admiralty.

"The high character of this manual requires no critical comments to recommend it. The fact of its having reached its fourth edition may be taken as sufficient evidence of its worth. Should there be a naval officer without this work in his necessarily small library, we should say, look if you cannot give it the space of a less valuable book."—*United Service Gazette*.

"A volume—a perfect knowledge of which would render any man a most agreeable and instructive companion—a guide, philosopher and friend. It is a 'Manual of Scientific Inquiry' by the best authors, in a most compendious form, well got out and illustrated. Ordinary people might be afraid to talk to a naval officer or a traveller in general who had such a book off by heart. He certainly would possess a great deal of most useful knowledge."—*Army and Navy Gazette*.

"The present is the fourth edition of this well-known work, and although the editor has not altered the general form of the book or the arrangement of the articles, he has by adequate revision provided that such of them as required it, through the additional knowledge gained in the last twelve years, be brought up to the present epoch. It is impossible to speak too highly of this work, which may be considered as one of the most useful scientific works now published."—*Scientific Review*.

"The idea which prompted this publication was an excellent one, and the result is calculated to benefit others besides officers in Her Majesty's Navy, for whose especial use it was intended. Useful instruction in general matters of science is here provided, and the present edition conveys this instruction through the light of the latest scientific discoveries."—*Civil Service Gazette*.

**DENT'S** CHRONOMETERS, WATCHES, and CLOCKS have long held pre-eminent rank, as may be seen from the Reports of various scientific persons:—

**THE ASTRONOMER ROYAL**, (SIR G. B. AIRY,) in his Report to the Admiralty (13th of August, 1870) on the forty Chronometers entered for annual competition, says of M. F. DENT'S Chronometer—

**"THIS IS THE FINEST CHRONOMETER THAT WE HAVE EVER HAD ON TRIAL."**

N.B.—The LATE ASTRONOMER ROYAL (J. POND, Esq.), reporting in 1829 on the celebrated public trial, by order of The Lords of the Admiralty, which lasted thirteen years, during which nearly 500 Chronometers were tested, says:

"Your Chronometer, No. 114, is entitled to the First Premium. Actual variation in the year 0.54 hundredths of a second. This is superior to any other yet tried."

**THE RUSSIAN IMPERIAL ASTRONOMER**, M. STRUVE, of St. Petersburg, reporting upon 81 Chronometers tested by the Russian Chronometrical Expedition, in 1843, says:

"The DENT CHRONOMETERS have held FIRST RANK in a brilliant manner. They contributed, beyond dispute, THE MOST EFFECTUALLY to the exactitude of the results."

"M. STRUVE."

\*\*\* By Command of the Emperor, the Russian Gold Medal of the Highest Order of Merit was presented to Mr. DENT.

**SIR WILLIAM ARMSTRONG**, Inventor of the Armstrong Gun, says:—

"9, HYDE PARK STREET, W., 14th November, 1861.

"The Chronometer Watch you made for me in December, 1859, has never been affected by travelling or riding; its variation at the end of a year was only 45 seconds. It has proved in every respect a most satisfactory Watch."

"W. G. ARMSTRONG."
